JavaScript	95 %
TypeScript	60 %

PROFILE

Hard-working programmer with 8+ years of experience in designing and developing web, mobile and desktop applications.
I'm interested in all JavaScript libraries, but my main focus is on the React library for building user interfaces and I have excellent skill in using PWA and Workbox.
Aim to work in a challenging work environment where I can utilize my expertise in technical skills, towards the development and implementation of the new ideas, contributing to growth of the organization.

EXPERIENCE

2021 - 2018   KANOON IRAN NOVIN
